Dear Sir or Madam

Warning of winding up action

Please read this letter – it can help the company avoid being wound up.

The company's debt, as detailed on the attached statement is £63,984.44. Interest continues to be charged until payment is made.

Despite reminders you have not paid.

If you do not take action within **seven working days** of the date of this letter, we will wind up the company for this debt. This will increase the amount it has to pay. The company's bank accounts may also be frozen and its assets put at risk.

There is still time to sort things out, but the company needs to act now by:

- **Paying in full now.** Call us for details of how to make the payment, or
- **Phoning us now if**
 - you cannot pay immediately, or
 - you need to get **FREE independent advice and assistance** from one of the organisations shown on the enclosed list. Send us a completed form 64-8 if you would prefer one of these organisations to contact us to discuss matters on your behalf.

Yours faithfully

A Khan
Debt Manager
